1. "The best part of the day is lying in bed knowing that you accomplished all that you set out to do. Goodnight!"

2. "Pray tonight for a great day tomorrow, saying goodnight to all of your troubles."

3. "Why go to bed with a frown and anger when you can go to bed with a smile and laughter? The world is only as serious and painful as you allow."

4. "Dream your dream of the perfect world, finding the courage to make it a reality when you wake."

5. "Tomorrow is another day when you can finally make it your goal to live life to the fullest, but it starts with a good night and begins with your eyes opening."

6. "Wake up with determination. Go to bed with satisfaction."

7. "I know you've had a rough couple of days. When you close your eyes tonight, leave all that stress where it belongs — in the past and move on to better tomorrows."

8. "A good idea will keep you awake during the morning but a great idea will keep you awake during the night."

9. "Go to sleep satisfied that you did your best today. Tomorrow, wake up and determine to be the best you can be."

10. "Always remember to fall asleep with a dream and wake up with a purpose."
