Grandparents Day Thoughts

Grandparents are there to help the child
get into mischief they haven't thought of yet...
that's why we are blessed for having you.
Happy grandparents' day!

A mother becomes a true grandmother the day she

stops noticing the terrible things her children do

because she is so enchanted with the wonderful

things her grandchildren do. Happy Grandparents Day.

They say genes skip generations.
Maybe that's why grandparents find their grandchildren so likeable.
This is your day, grandma and grandpa. Enjoy!

Grandparents and grandchildren,
Together they create a chain of love
Linking the past,
With the future.
The chain may lengthen,
But it will never part.
Happy Grandparents Day to my lovely grandpa and grandma.

Grandchildren are God's
way of compensating us for
growing old. Happy Grandparents Day
